Form 990, Part VI, Section B, Line 15:

The process for determining compensation for the President and CEO is the responsibility of the Foundation's Compensation Committee, comprised of the officers of the Board. The Committee annually reviews mutually determined goals and objectives of the incumbent. Salary adjustments are based on a review of similar positions using competitive market compensation paid by other regional and national foundations with similar endowment and staff size. In making salary recommendations, the committee takes advantage of information compiled annually by various regional and national salary surveys within the industry. In turn, the President and CEO evaluates four direct reports, one of which is the CFO, using mutually agreed to goals and objectives for each person. The President and CEO's recommendation on salary is forwarded to the Committee for review. As part of the annual budget, all salaries are then approved, in turn, by the Finance & Audit Committee and the Executive Governing Board.
